Cub Cadet UTV 4x4DC

21hp Diesel Utility Vehicle

Key Features

1 Diesel Powered
The 3 cylinder 21hp Yanmar diesel engine, makes this utility vehicle an excellent workhorse in any area, with low fuel costs.

2 Turning
The tight turning diameter and rear anti-sway bar provide superb cornering at all speeds.

3 4 Wheel Drive
A positive 4 wheel drive with front and rear differential lock, enables you to switch between 2 and 4 wheel drive on the move.

4 Road Legal
Agricultural class as standard.

5 Safety
Standard features include ROPS approved anti- roll bar operator protection system and full front dual bar brushguard.

6 Suspension
The all round independent suspension ensures class leading comfort.

7 Loading
With an impressive 400kg load carrier and towing capacity of 500kg, the Big Country is ready to work.

8 Side by Side Seating
Both the driver's suspension seat and a safe comfortable passenger seat have lap belts.

9 Camouflage Finish
The camouflage finish makes this model ideal for gamekeeping and forestry use.
