

THE MOWER OF CHOICE FOR PROFESSIONAL USERS

With classic styling and a proven steel deck design, the Rover Duracut range of lawn mowers are simply a cut above.

STEEL DECK

Heavy-duty 1.8mm, high arch steel decks cut to the edge both sides for effortless mowing.

DECK WASH

Helps maintain your cutting deck in optimum condition by clearing away debris. (DURACUT 18SP)

LARGE CATCHER WITH FILL INDICATOR

45L catcher keeps emptying grass to a minimum. The catcher fill indicator shows when the catcher is full.

BALL BEARING WHEELS

Reduces friction when pushing the lawn mower saving time and effort.

SELF PROPELLED

Propels the mower for effortless mowing saving you time and energy. (DURACUT 18SP)

MULCHING OPTION

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

SAFE STOP

An engine brake is fitted to stop the engine upon release of the handle for added safety and peace of mind.

DURACUT 18

159^{cc}
ENGINE

18"
DECK

- Ideal for small to medium areas with fine to medium grass
- Large 45L catcher with fill indicator
- Features a standard mulch plug
- Easy to start remote throttle
- 4 swing back blades
- 10 position height adjuster

DURACUT 18 SP

DECK

SELF
PROPELLED

- Ideal for small to medium areas with fine to medium grass
- Self-propelled for effortless mowing
- Powerful 159cc Loncin engine
- Large 45L catcher with fill indicator
- Features a standard mulch plug
- 10 position height adjuster
- 4 swing back blades

The Rover Pro Cut alloy deck range is built for durability and performance. The heavy-duty non-rust, strengthened alloy extends the life of the deck to give you added durability for peace of mind and effortless mowing, ideal for small to large areas.

BLADE BRAKE CLUTCH

Stops the cutting blades from spinning while the engine continues to run giving you a safe way to empty the catcher or remove debris from your cutting path.

BLADE OPTIONS

2 / 4 swing back blades deliver exceptional cutting performance and protect your engine.

MULCHING OPTION

Helps maintain moisture by putting nutrients back into the grass for a healthier lawn.

LARGER CATCHER WITH FILL INDICATOR

65L large catcher ideal for bigger lawns, keeps emptying to a minimum. The catcher fill indicator shows when the catcher is full.

BALL BEARING WHEELS

Reduces friction when pushing the lawn mower saving time and effort.

SELF PROPELLED

Propels the mower for effortless mowing saving you time and energy.
