

Cub Cadet Widecut E

10.5hp Widecut Mower 84cm/33"

Key Features

1 O-Turn Technology

This technology ensures maximum manoeuvrability with zero uncut areas of grass when on maximum lock.

2 Wheels

Semi-pneumatic wheels and anti-scalping deck wheels.

3 Engine

The Widecut E Mower is powered by a 10.5hp Briggs & Stratton engine.

4 Cutting deck

The extra wide 33"/84cm cutting deck, coupled with the 4 speed transmission and reverse can significantly cut down your mowing time. Mulch kit comes as standard.
